▪ Qualifications

Nr.	Academic Qualifications	Date of obtaining	General Specialization	Specific Specialization	Name of the institute or university	name of the donor country
1	Bachelor of Science	1979	Science	Mathematics	Aleppo University	Syria
2	PhD in Natural Sciences	1989	Numerical Analysis	Differential Equations	TU Dresden	Germany

▪ Experiences and scientific and administrative positions

Nr.	Scientific title or administrative office	Country	University	College	Department	Time
1	University teacher	Syria	Techrean University	Faculty of Mechanical and Electrical Engineering	Basic Sciences	1989 - 1991

2	University teacher	Germany	BBI Institute		Information Technology	1991 - 1999
3	University teacher	Germany	IVM Institute		Information Technology	2000 - 2005
4	University teacher	Syria	Techrean	Faculty of Mechanical and Electrical Engineering	Basic Sciences	2006 - 2007
5	Assistant Professor	Saudi Arabia	King Saud University	Teachers College	Computer	2008 - 2012
6	Head of Quality Management System (ISO) - Quality Deanship	Saudi Arabia	King Saud University	Deanship of Quality	ISO unit	2010 - 2014
7	Advisor to the Deanship of Development and Quality at King Saud University for Standards and Metrology	Saudi Arabia	King Saud University	Deanship of Quality	ISO unit	2010 until now

▪ Scientific and professional memberships

Nr.	Membership Type	Since
1	Deanship of Quality consultant at King Saud University	2010 so far
2	General supervisor of the research center for computer and networking technologies - Teachers College - King Saud University	2008 - 2012

▪ Achievements at King Saud University

- Provides consultations to 62 entities at King Saud University to prepare a quality management system in accordance with the requirements of the international standard (ISO 9001 : 2015).
- Providing training in terms of business improvement in accordance with international standards, especially (ISO 9001 : 2015)
- Obtaining a certificate of conformity according to the requirements of the international standard (ISO 9001 : 2015) for 39 entities at the university.

- Membership management committees

Nr.	Committee Type	where	Time			
			from		to	
			Month	Year	Month	Year
1	Honorary Member of the deep uttered viewfinder for graduates of specialty computer	Chamber of Commerce and Industry in Leipzig-Germany	4	2001	2	2004
2	Chairman of the Scientific Committee of the Department of Computer - Teachers College	King Saud University	09	2009	09	2012
3	Member of the project to establish a Center of Excellence in e-Learning	King Saud University	09	2009	05	2010
4	Team member preparation of a quality management system at Teachers College	King Saud University	10	2011	10	2012

- Courses and training programs

- Intel Education Training Program

Basics V.10

Get

Trainer Certificate

- Training program

"ISO 9001: 2008 Quality Internal Auditor Course"

Get

Certified Internal Auditor for Quality Management System

ISO 9001: 2008

Auditor/Lead Auditor Training Course

Get international certificate

"ISO 9001: 2008 Auditor / Lead Auditor"

"ISO 9001: 2015 Auditor / Lead Auditor"

Teaching Experience

Nr.	The course	Teaching Location	Teaching time
01	<ul style="list-style-type: none"> Math courses for middle and high schools 	Schools in Aleppo, Syria	1974 - 1979
02	Lecturer of <ul style="list-style-type: none"> Algebra Statistics Complex analysis Medical statistics courses 	Faculty of Science Faculty of Economic Sciences Faculty of Mechanical and Electrical Engineering, and the Faculty of Medicine at the University of Aleppo, Syria	1980 - 1982
03	Courses of <ul style="list-style-type: none"> Mathematics (1) Mathematics (2) for the first-year undergraduate students	Techrean University - Faculty of Mechanical and Electrical Engineering - Department of Basic Sciences	19890 1991
04	Numerical methods <ul style="list-style-type: none"> Numerical methods using the programming language BASIC and Pascal For graduate students		
05	<ul style="list-style-type: none"> Courses in the Calculation Financial Mathematics Optimization Computer principles Application software Internet Web design using FrontPage programming in C ++ Kadcon program which is based on the AutoCAD program computer-based control used Program-Language Pascal and C++ 	In several private institutes in the Cities Leipzig - Halle (Saale) - Eisleben - Zeitz - Bitterfeld - Germany	1991 -2000
06	Overseeing the Student in the Secondary schools in the Mathematics subjects	Studienkreis Leipzig - Germany	1991 - 2003
07	<ul style="list-style-type: none"> Computer Networks Gadgets Computer Networks Computer Networks Administration Remote computer networks reached via telephone switchboards with analog technology and the ISDN technology (Theoretical and practical) Web design and linked to databases technology PHP - My SQL. 	IVM Leipzig Germany	2000 - 2004

	<ul style="list-style-type: none"> • 		
08	<ul style="list-style-type: none"> • Fourier series- Fourier integration- Fourier transformations- Special functions (Gamma, Beta, Bessel)- Laplace transform and its applications- Mistakes- • Numerical methods to solve the equation $f(x) = 0$- Theory of interpolation- • Numerical integration and derivation (Simpson methods)- Finite elements- • Introduction to logic algebra (Paul's algebra)- Ranked structures- Algorithms- • Data and trees- Mathematical Induction. 	Techrean University - Faculty of Mechanical and Electrical Engineering - Latakia Syria	2004 - 2008
09	Numerical Analysis	Aleppo University - Faculty of Electrical and Electronic Engineering - Aleppo Syria	2005 - 2008
		University Al Phurat - College of Sciences Deir al-Zour Syria	2006 -2007
10	<ul style="list-style-type: none"> • Installation and maintenance of computer • computer networks Configuration • The overall structure of the Internet (Hard ware and software) as an extended network 	Computer Institute - Idlib, Syria	2004 - 2007
11	<ul style="list-style-type: none"> • The overall structure of the Internet (Hard ware and software) as an extended network • Web design using a technique asp and linked to databases 	German Syrian Advisory Center for Informatics Aleppo, Syria	2004 - 2008
12	<ul style="list-style-type: none"> • Advanced Networking • Electronic publishing and web design using simulate networks and the Internet using the techniques of PHP and My SQL technology and the ASP.Net 	Teachers College, King Saud University, Saudi Arabia	2008 - 2012
